

WASHINGTON TOWNSHIP TRUSTEES SPECIAL MEETING  
HELD Wednesday, January 27, 2021 AT 4:00PM

Meeting was called to order by Chair, Mr. Bob Entenmann. All members were present. Also present was Fiscal Officer, Sara Hammett, Andy Romoser and Tim Boggs. The purpose of the special Meeting was to discuss the Greenbriar Road Property with realtor Tim Hester.

Tim Hester from Caldwell Banker and Fritz and Laurie Thompson, property buyers, were present.

The Thompson's mentioned that they would like to build a driveway off of Greenbriar road. Discussion was had that they have two options. First option is that they extend the road past their driveway and it would have to be approved by the county engineer and county commissioners. Second option is that they build a driveway and gain a permit from Washington Township for where the road ends now and the Township would no longer maintain the present road due to being on Thompson's property, which would still need to be approved by the county engineer. Thompson's will decide what they would like to do and then Legal Counsel will write up a proper agreement.

Mr. Jack Butler made a motion to grant an agreement if the County Engineer will accept the end of the Greenbriar Road as is and that Mr. Bob Entenmann will contact the County Engineer. Mr. David Yoder seconded the motion and the carried with a roll call vote of all ayes.

There being no further business, Mr. Jack Butler made a motion to adjourn the meeting. Mr. David Yoder seconded the motion and the motion carried with the meeting ending at 4:40pm.
